FROM: Claire Lieberman, Chair, University Curriculum Committee

RE: Executive Summary – Proposal to Delete the Information Assurance and Security Sequence

The University Curriculum Committee approved and is forwarding for Academic Senate consideration the attached proposal from the School of Information Technology for the disestablishment of the Information Assurance and Security Sequence in the Major in Information Systems.

The School of Information Technology indicated that the new Major in Cybersecurity, which has been approved at all levels, is an extension of the Information Assurance and Security sequence and will replace it. All students wishing to move to the new Cybersecurity program may do so.

The University Curriculum Committee supports the proposal to delete the Information Assurance and Security Sequence.
