## **PART A: DELETED PROGRAMS**

Illinois State University  
School of Music  
MINOR IN MUSIC EDUCATION  
Anticipated Date of Implementation: Fall 2006

### **Rationale:**

Only 2 people in the last twenty (20) years have completed the *Minor in Music Education*. Since the program is not in demand, the School of Music would like to delete this program. No arrangements need to be made for program faculty and students since there are no students in the program and faculty will still continue to teach the existing music education programs. As a result, there will not be any anticipated impact on current programs nor will there be any anticipated budgetary effects.
