**Proposed Deletion of the Minor in Chemistry for Teacher Education**  
Department of Chemistry Curriculum Committee

**Summary of proposed action:**

The Minor in Chemistry for Teacher Education will be eliminated.

**Catalog copy to be deleted:**

MINOR IN CHEMISTRY

For Teacher Education:

- 21 hours required in Chemistry, including at least 13 hours in courses numbered 200 or higher.
- Required courses: CHE 140, 141, 215, and 301 (2 hours).

The Chemistry Minor for Teacher Education does not lead directly to teacher certification. Students seeking an additional teaching endorsement in this academic area should contact their advisor or the Illinois State Board of Education Web site ([www.isbe.net](http://www.isbe.net)) for specific certification requirements.

**A. Program Description and Explanations**

**Institution:** Illinois State University

**Responsible Department:** Chemistry

**Proposed Program Title:** N/A

**Previous Program Title:** Minor in Chemistry for Teacher Education

**CIPS classification:** N/A

**Date of Implementation:** Fall, 2009

**Description of proposed program or name change:**

The Minor in Chemistry for Teacher Education will be eliminated.

**Rationale for proposal:**

The Minor for Teacher Education no longer plays a role in teacher certification. Any student wanting to take this minor program could take the regular minor and select CHE 301 as one of the optional courses. Elimination of this verbiage from the catalog would remove the redundancy.

**If for Teacher Education, include reference to CTE Conceptual Framework:** N/A

**Expected impact of proposal on existing campus programs:**

The Chemistry Department has solicited comments on the proposed deletion from other science departments at Illinois State University, and there has been no opposition to the proposed action.

**Milner contacted to determine sufficient resources:** No library resources are required for this change.

**Anticipated staffing arrangements:** There will be no changes in staffing required.

**Anticipated funding needs and sources of funds:** No funds are required for this change.
