RE: Proposal to Delete the Minor in Instructional Media

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached School of Communication proposal to delete the Minor in Instructional Media.

The School of Theatre's rationale for the deletion of the Instructional Media minor is "because the program has not been active for twenty years. No students or faculty are currently involved in the minor."

If approved by the Academic Senate, the Minor in Instructional Media will be removed from the *2012-2014 Undergraduate Catalog*.
