RE: Proposal to Delete the Public Service Sequence from the Minor in Political Science

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached Politics and Government proposal to delete the Public Service Sequence from the Minor in Political Science.

The Department of Politics and Government's rationale for deleting Public Service Sequence in the Minor is because "the sequence is not used by the department and has not been utilized for some time. If sequences in the major are to be removed, it only makes sense to delete the minor one as well."

If approved by the Academic Senate the Public Service Sequence in the Minor in Political Science will be removed from the *2012-2014 Undergraduate Catalog*.
