## **MINOR IN FRENCH**

### **For Teacher Education:**

— A minimum of 27 and a maximum of 35 hours in French are required. The number of hours required for the Minor in French for Teacher Certification depends on the level at which a student begins the program. Students with no previous study in French begin the language with FR 111 and must complete 35 hours. Students with 2 years of high school French (or equivalent) normally begin with FR 112 and must complete 31 hours beyond 111. Students with 3 years of high school French (or equivalent) normally begin with FR 115 and must complete 27 hours beyond 111 and 112.

— Required courses: FR 115, 116, 209, 213, 214; LAN 319; plus sufficient electives to meet the total hour requirements as indicated above.

— Recommended electives: FR 220, 221, 222, 235, 340; LAN 320, 321.

The French for Teacher Education Minor does not lead directly to teacher certification. Students seeking an additional teaching endorsement in this academic area should contact their advisor or the Illinois State Board of Education Web site ([www.isbe.net](http://www.isbe.net)) for specific certification requirements.

**2. Provide a list of other programs referencing this program.**

None

**3. Provide a rationale for deleting program.**

The Department of Languages, Literatures, and Cultures is requesting the deletion of the Minor in French for Teacher Education for the following reasons:

1. The minor does not adequately prepare students for the oral proficiency exam, which is a pre-requisite for LAN 319.
2. The minor does not adequately prepare students for the Content Test to receive an endorsement on their teaching certificate. In the past, students with 32 credits in French did not need to take the Content Test. This has now changed.

**4. Describe the expected effect of the proposed program deletion on existing campus programs.**

None.

**5. What arrangements will be made for program faculty and students?**

There will be no adverse effect on faculty. There are currently 4 students who have applied for the minor in French for Teacher Education; these students will be advised that the minor by itself will not guarantee the passage of the Oral proficiency interview with a score of advanced low, nor will it guarantee passage of the state content exam. Students will be advised to change to a regular minor, a major, and/or complete a study abroad program to increase oral proficiency.

**6. What is the anticipated budget effect?**

None.

**7. Yes Did this program previously count towards teacher education?****8. No Was this an Interdisciplinary Studies program?**
