MINOR IN PHILOSOPHY

For Teacher Education:

— 23 hours in Philosophy required.

— Required Philosophy courses by area: Research Methods:

PHI 199; Logic: PHI 112 or MAT/PHI 210; History of Philosophy: PHI 254 and 255; Ethics: PHI 232 or 240 or 242; Epistemology and Metaphysics: PHI 256; and at least 6 additional hours in Philosophy with at least one 200- or 300-level course.

The Philosophy Teacher Education Minor does not lead directly to teacher certification. Students seeking an additional teaching endorsement in this academic area should contact their advisor or the Illinois State Board of Education website (www.isbe.net) for specific certification requirements.

2. **Provide a list of other programs referencing this program.** Minor in Philosophy Teacher Education 04/01/2011

NONE

3. **Provide a rationale for deleting program.**

This minor no longer aligns with State of Illinois requirements for endorsements to certificates, so it was the recommendation of CTE (and UCC) a number of years ago that they be deleted. Retaining them is, in fact, somewhat misleading for students. This will not affect very many students as the enrollment in our teacher ed program has diminished over the past few years.

4. **Describe the expected effect of the proposed program deletion on existing campus programs.**

None

5. **What arrangements will be made for program faculty and students?**

This minor has little or no additional impact on our program faculty or students. Many courses required for the teacher ed minor are also required for the Philosophy major or minor.

6. **What is the anticipated budget effect?**

None

7. **No Did this program previously count towards teacher education?**

8. **No Was this an Interdisciplinary Studies program?**

9. **Routing and action summary for Program Deletion:** ^{Minor in Philosophy Teacher Education 04/01/2011}

Todd Stewart (College of Arts & Science College Curriculum Committee Chair):

This proposal is fine, although we aren't certain about whether the implementation date should be 2010-12 or 2012-14. Jeri, if the proposal needs an implementation date of 2012-14, could you please make this small fix to the proposal? Otherwise, the CAS CC voted to approve the proposal. Thanks!
