RE: Proposal to Delete the Teacher Education Sequence in the Minor in Dance

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached School of Theatre proposal to delete the Teacher Education Sequence from the Minor in Dance.

The School of Theatre requests the deletion of the Teacher Education Sequence from the Minor in Dance because it no longer plays a role in teacher certification. Students wishing to receive an endorsement in Dance will achieve this through completing a series of specified coursework in the content area (24 hours) and passing the State Content Test. The suggested coursework for those seeking endorsement in dance will be listed on the School of Theatre website, and not listed in the Undergraduate Catalog.

If approved by the Academic Senate the Teacher Education Sequence in the Minor in Dance will be removed from the *2012-2014 Undergraduate Catalog*.
