RE: Proposal to Delete the Minor in Art -Teacher Education Sequence

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached School of Art proposal to delete the Minor in Art - Teacher Education Sequence.

The School of Art requests the deletion of the Teacher Education minor since it is no longer a viable option for students because it lacks sufficient breadth and depth for certification. This minor has not been utilized for at least ten years.

If approved by the Academic Senate the Minor in Art - Teacher Education Sequence will be removed from the *2014-2016 Undergraduate Catalog*.
