RE: Proposal to Delete the Minor in Economics for Teacher Education

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached Department of Economics proposal to delete the Minor in Economics for Teacher Education.

The Department of Economics requests the deletion of the teacher education minor because it no longer plays a role in teacher certification. The deletion of this minor is in agreement with the Provost's Office desire to delete education minors from the catalog. At the present time, there are no students enrolled in the minor.

If approved by the Academic Senate the Minor in Economics for Teacher Education will be removed from the *2014-2016 Undergraduate Catalog*.
