---

**2. Provide a list of other programs referencing this program.**

None, all courses are taught through the English Department.

---

**3. Provide a rationale for deleting program.**

The minor does not lead to certification by the Illinois State Board of Education which means it is false advertising. Students can achieve certification through other means. Deletion is in line with the Provost Office desire to delete education minors per the e-mail Jon Rosenthal sent to the advisors on Sept 9 of 2013.

---

**4. Describe the expected effect of the proposed program deletion on existing campus programs.**

No effect on existing campus programs.

---

**5. What arrangements will be made for program faculty and students?**

No effect to faculty; the handful of students in the minor will be advised out of it with other options that do meet language arts certification at the secondary level.

---

**6. What is the anticipated budget effect?**

none.

---

**7. Did this program previously count towards teacher education? Yes**

---

**8. Was this an Interdisciplinary Studies program? No**
