1. Provide *Undergraduate Catalog* copy to be removed regarding this program.

MINOR IN HISTORY

For Teacher Education:

- 21 hours in History required; at least 12 hours in 200- or 300-level courses.
- Required courses: 9 hours in Group 2: United States, 6 hours in Group 3: Non-Western, and 6 hours in Group 4: European History (see listing under “History Courses by Group for the Minor”); HIS 290 recommended in addition to required courses; requirements for Teacher Certification in another major field must be met.

The Minor in History for Teacher Education does not lead directly to teacher certification. Students seeking certification in History and the Social Sciences must complete a recognized secondary education program and at least 32 hours in the Social Sciences (12 hours in History). In addition, students will be required to pass a Social Sciences content examination as administered by the state of Illinois. If a student has any questions he or she should contact their advisor or the Illinois State Board of Education website (www.isbe.net) for specific certification requirements.

2. Provide a list of other programs referencing this program.

None

3. Provide a rationale for deleting program.

Per Jonathan Rosenthal's request, remove teacher education minors, as they do not lead to certification/endorsement under ISBE rules. As a result of this change, the History department stopped admitting students to this minor sequence.

4. Describe the expected effect of the proposed program deletion on existing campus programs.

No effect.

5. What arrangements will be made for program faculty and students?

At present there are no students listed in this minor. If, by some mistake, a student was entered into this minor sequence, they will be transferred to the History Minor.

6. What is the anticipated budget effect?

None

7. Did this program previously count towards teacher education? Yes

8. Was this an Interdisciplinary Studies program? No
