

**ILLINOIS STATE UNIVERSITY REQUEST
FOR NEW PROGRAM APPROVAL
*Financial Implication Form***

Purpose: Proposed new undergraduate and graduate programs (degrees, sequences, minors, and certificates) must include information concerning how the program will be financially supported to proceed through the curricular process.

Procedure: This completed form is to be approved by the Department/School Curriculum Committee chair, department chair/school director, college dean, and Provost prior to submission of the proposal to the College Curriculum Committee.

Definition: A "program" can be a degree, a sequence within a degree, a minor, or a certificate. This form is to be used for both undergraduate and graduate programs.

Complete the following information:

Department: Interdisciplinary Studies

Contact person: Amy Hurd

Date: 12/10/2020

Proposed new program: Global Studies minor

(Note: if the proposed program is a sequence, please indicate the full degree it is housed within)

BRIEF DESCRIPTION OF THE PROPOSED PROGRAM

The Global Studies minor is a replacement for the International Studies minor that was unanimously voted to be deleted based on low enrollment by the UCC. The Academic Senate would not act on this recommendation from the UCC, so it still exists with continued low enrollment. Students will be moved from International Studies to the Global Studies minor. The Global Studies minor will focus on developing a global vision by promoting awareness of significant political, economic, and social interactions and impacts of those in the world. The minor allows students to choose elective courses under three categories: Security & Governance; World Markets and Development; & Culture, Science, and Technology. The 21 hour minor requires 2-3 courses in each category, and includes courses from 21 different departments, which have been contacted for support letters.

ENROLLMENTS

In the table below, summarize enrollment and degrees conferred projections for the program for the first- and fifth-years of operation. If possible, indicate the number of full-time and part-time students to be enrolled each fall term in the notes section. If it is not possible to provide fall enrollments or fall enrollments are not applicable to this program, please indicate so and give a short explanation.

Add any relevant notes for the enrollment table 1 (Students are to be enrolled in a cohort; all students will be enrolled part-time; etc.) as an attachment

Budget Rationale (as an attachment; include corresponding data in Table 2)

Provide financial data that document the department or school's capacity to implement and sustain the proposed program and describe the program's sources of funding.

- a. Is the unit's (College, Department, School) current operating budget (contractual, commodities, equipment, etc.) adequate to support the program when fully implemented? If "yes", please explain. If new resources are to be provided to the unit to support the program, what will be the source(s) of these funds? **[Table 2 – Section 1]**

No new resources are needed (faculty, facilities, library) due to these classes already existing. No one department will be unduly burdened by increased enrollment.

- b. What impact will the new program have on faculty assignments in the department? Will current faculty be adequate to provide instruction for the new program?

Will additional faculty need to be hired, either for the proposed program or for courses faculty of the new program would otherwise have taught? If yes, please indicate whether new faculty members will be full-time or part-time faculty, tenure track or non-tenure track faculty.

[Table 2 – Section 2]

No. The classes are already covered by current faculty.

- c. Will current staff be adequate to implement and maintain the new program? If “yes”, please explain. Will additional staff be hired? Will current advising staff be adequate to provide student support and advisement, including job placement and or admission to advanced studies? If additional hires will be made, please elaborate. **[Table 2 – Section 2]**

No new staff will be hired. A University College advisor is already assigned to advise the International Studies minors. This person will take on the Global Studies minors.

- d. Are the unit’s current facilities adequate to support the program when fully implemented? Will there need to be facility renovation or new construction to house the program? (For a new degree program describe in detail the facilities and equipment available to maintain high quality in this program including buildings, classrooms, office space, laboratories, equipment and other instructional technologies for the program). **[Table 2 – Section 3]**

No additional or change to facilities will be needed.

- e. Are library resources adequate to support the program when fully implemented? Please elaborate.

Yes, these courses already exist and have the needed library resources.

- f. Are there any additional costs not addressed in items a. – d.? If “yes” please explain.
[Table 2 – Section 4]

no

- g. Are any sources of funding temporary (e.g., grant funding)? If so, how will the program be sustained once these funds are exhausted?

no

- h. If this is a graduate program, discuss the intended use of graduate assistantships and where the funding for assistantships would come from.
