Are you requesting a TITLE change to an existing major, sequence, minor or certificate?

No

If requesting a title change(s), provide the **CURRENT** and **NEW** titles, and an itemization of costs expected to be incurred by the department/school, college, or university if the proposed change(s) is approved.

-

Did a majority of your faculty approve this title change?

No

Are you requesting to add a NEW Sequence to an existing major?

Yes

Brief rationale for requested change(s).

The new sequence, as opposed to a concentration, makes the Ed.D/CPED P=12 Administration Sequence a standalone program instead of being in the concentration/advisory status. The concentration status is confusing internally and to our external constitutes/applicants/students. This change provides clarity to the status of the program.
