

Financial Implication Form

---

**Illinois State University Request for New Program Approval**

**Purpose: Proposed new undergraduate and graduate programs (degrees, sequences, minors, and certificates) must include information concerning how the program will be financially supported to proceed through the curricular process.**

**Procedure: This completed form is to be approved by the Department/School Curriculum Committee chair, department chair/school director, college dean, and Provost prior to submission of the proposal to the College Curriculum Committee.**

**Definition: A "program" can be a degree, a sequence within a degree, a minor, or a certificate. This form is to be used for both undergraduate and graduate programs.**

Proposed New Program

---

German General Sequence

Brief Description of the Proposed Program

---

Currently, students who major in German may choose to not have a sequence OR to be in the German Teacher Education Sequence. This causes issues with degree audit builds and confusion at times when students are being added to majors when there is an option of sequence or no sequence. This sequence will allow for clarity in CS by distinguishing the German General Sequence from the German Teacher Education Sequence

Is this a Teacher Education program?

---

No

Is this a graduate program?

---

No

## Enrollments

Summarize enrollment and degrees conferred projections for the program for the first- and fifth-years of operation. If possible, indicate the number of full-time and part-time students to be enrolled each fall term in the notes section. If it is not possible to provide fall enrollments or fall enrollments are not applicable to this program, please indicate so and give a short explanation.

### Budget Rationale

Estimated Costs of the Proposed Program - For all sections below, only NEW resources not currently available to the program.

#### Operating Expenses

Including but not limited to: Contractual, Commodities, Equipment, etc.

Is the unit's (College, Department, School) current operating budget (contractual, commodities, equipment, etc.) adequate to support the program when fully implemented?

---

Yes

Please explain.

---

The German BA is currently operational. This proposal is not for a new program. No additional operating budget is needed.

If new resources are to be provided to the unit to support the program, what will be the source(s) of these funds?

---

No new resources are needed

Operating Expenses (1st year)

\$0.00

Operating Expenses (5th year or when fully implemented)

\$0.00

## Personnel

What impact will the new program have on faculty assignments in the department?

None

Will current faculty be adequate to provide instruction for the new program?

Yes

Will additional faculty need to be hired, either for the proposed program or for courses faculty of the new program would otherwise have taught?

No

Will current staff be adequate to implement and maintain the new program?

Yes

Please explain.

The German BA is currently operational with the current faculty. No new hires are needed since no new courses or requirements are implemented.

Will current advising staff be adequate to provide student support and advisement, including job placement and or admission to advanced studies?

Yes

Will additional staff be hired?

No

Please elaborate.

We currently have an academic advisor for the BA who advises students in this sequence.
