Description of the new major, and any associated sequence(s), minor, or certificate

Cultural competencies, ethical cross-cultural representation in popular media, and the accurate representation of humanity's past are all of topical interest to ISU students, as both world citizens and future leaders building crucial career skills. Our world is saturated with claims about the relationship between media and culture. This undergraduate certificate is for students who want to develop culturally competent media literacy or students who are interested in the production or analysis of cross-cultural themes in popular media.
