**1. Provide Undergraduate Catalog copy to be removed regarding this program.**

Page 268, current catalog copy: Degrees Offered: B.S. B. S. in Ed.

New copy: Degree Offered: B.S. in Ed.

**2. Provide a list of other programs referencing this program.**

Not applicable

**3. Provide a rationale for deleting program.**

This program (B.S.) was not utilized by students because the licensure requirements in teacher education leave very little room for electives. The B. S. requires an additional course beyond the General Education requirements. Students complete the Bachelor of Science in Education (B.S. in Ed.) degree. Deleting this unnecessary program will stop the occasional problem of students erroneously being placed in the wrong degree program.

**4. Describe the expected effect of the proposed program deletion on existing campus programs.**

There will be no effect as students did not complete this program but instead complete a Bachelor of Science in Education (B. S. in Ed.)

**5. What arrangements will be made for program faculty and students?**

Not applicable

**6. What is the anticipated budget effect?**

Not applicable

**7. Yes Did this program previously count towards teacher education?**

**8. No Was this an Interdisciplinary Studies program?**

**9. Routing and action summary for Program Deletion:**
