

Major/Minor/Certificate (Plan) Information

Program Code

SOCBA

Short Title

Sociology

Long title (as much of full title as possible)

Sociology BA

Are you requesting a TITLE change to an existing major, sequence, minor or certificate?

No

If requesting a title change(s), provide the CURRENT and NEW titles, and an itemization of costs expected to be incurred by the department/school, college, or university if the proposed change(s) is approved.

-

Did a majority of your faculty approve this title change?

No

Are you requesting to add a NEW Sequence to an existing major?

Yes

Brief rationale for requested change(s).

We are requesting the addition of a sequence in Sociology and Business Administration, which will be the foundation of a new accelerated sequence in Sociology and MBA. The coordination between these two disciplines give our students a unique and timely opportunity to capitalize on the need for students in the business field with backgrounds in social sciences. We are simultaneously requesting the addition of the accelerated sequence in Sociology and MBA.

Degree Map Narrative

The requirements below pertain to this Undergraduate Catalog year and are intended as a guide for academic planning. Students should consult with their academic advisor to discuss their individual plan of study.

A minimum of 120 total credit hours are required, including 40 senior level hours (200-300 level courses).

In addition to completing major requirements students must complete:

- General Education requirements (refer to General Education for alternative options for transfer students)
- One course for the AMALI graduation requirement
- One course for the IDEAS graduation
- Specific degree type requirements (Bachelor of Arts or Bachelor of Science)
- Some courses may satisfy a major requirement and one of the requirements noted above

Catalog Display Name

Sociology - Bachelor of Arts

Catalog Short Description

Sociology studies people, organizations, and systems. In the field, this is known as social structures. Our family, jobs, the law, economy, and government are some of the most influential social structures in our lives. Sociology helps us understand how these structures work so we can make the world better.
