Because of the lack of faculty and student interest in the Department of Geography-Geology and School of Kinesiology and Recreation, and because instructional and advising resources are needed in higher priority programs, we would like to terminate the **IDS Tourism Studies Minor**, effective July 1, 2009. No students have been admitted to the program for more than a year, so the impact on individual students will be minimal. Should a student be impacted, we advise them to switch to a traditional Geography minor, and write substitution-waivers as needed.
