RE: Proposal to Delete the Elementary Physical Education Sequence in the Minor in Physical Education

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached School of Kinesiology proposal to delete the Elementary Physical Education Sequence in the Minor in Physical Education

Kinesiology and Recreation requests the deletion of the Elementary Physical Education Sequence in the Minor in Physical Education because it has not been active for fourteen years. While it is acknowledged that it currently remains in the Undergraduate Catalog, no student has requested permission to pursue the Elementary Physical Education minor.

If approved by the Academic Senate the Elementary Physical Education Sequence in the Minor in Physical Education will be removed from the *2010-2012 Undergraduate Catalog*.
