TO: Daniel Holland, Chair, Academic Senate
FROM: Jean Standard, Chair, University Curriculum Committee *JWS*
RE: Proposal to Delete the Minor in Biological Sciences for Teacher Education

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached School of Biological Sciences proposal to delete the Minor in Biological Sciences for Teacher Education.

The School of Biological Sciences requests the deletion of the Teacher Education minor because it no longer plays a role in teacher certification. A student who wants to take this minor program could take the Minor in Biological Sciences instead. Students currently enrolled in the Biological Sciences Teacher Education minor will be allowed to finish. No new minors will be admitted.

If approved by the Academic Senate the Minor in Biological Sciences for Teacher Education will be removed from the *2014-2016 Undergraduate Catalog*.
