RE: Proposal to Delete the Minor in English for Teacher Education

The University Curriculum Committee has approved and is forwarding for Academic Senate review the attached Department of English proposal to delete the Minor in English for Teacher Education.

The Department of English requests the deletion of the Teacher Education minor because it no longer plays a role in teacher certification. The deletion of this minor is in agreement with the Provost's Office desire to delete education minors from the catalog. The small number of students in the minor will be advised out of it with other options that do meet language and arts certification at the secondary level.

If approved by the Academic Senate the Minor in English for Teacher Education will be removed from the *2014-2016 Undergraduate Catalog*.
