Version 1

Catalog Year to be deleted 2014-2016

1. Provide *Undergraduate Catalog* copy to be removed regarding this program.

Minor in School Health Education:

— 27 hours required.

— Required courses (24 hours): HSC 190, 290, 292, 293, 294, 390, 391; SOC 123.

— Electives (3 hours): FCS 102; HSC 156*, 170*, 296, 387.

*Course is a General Education option.

The School Health Education Minor does not lead directly to teacher certification. Students seeking an additional teaching endorsement in this academic area should contact their advisor or the Illinois State Board of Education Web site (www.isbe.net) for specific certification requirements.

2. Provide a list of other programs referencing this program.

3. Provide a rationale for deleting program.

The School Health Education Minor, under ISBE rules, no longer corresponds to the endorsement on teaching licenses. As such it is misleading to students.

4. Describe the expected effect of the proposed program deletion on existing campus programs.

No effect is expected, as students will still be required to take courses to obtain endorsement. The benefit is that there will be no conflict between the number of credit hours ISBE requires and what ISU requires to obtain endorsement.

5. What arrangements will be made for program faculty and students?

Students will be advised by faculty and staff to take the courses recommended for endorsement.

6. What is the anticipated budget effect?

None.

7. Yes Did this program previously count towards teacher education?

8. No Was this an Interdisciplinary Studies program?
